

April 10, 2025

Dear Enhancing Skills for Life Friends & Supporters,

Enhancing Skills for Life (ESFL) is a 501(c)(3) nonprofit that supports individuals living without both hands or all four limbs through education, peer connections, resources and community events. ESFL provides scholarships to individuals that are living without both hands or all four limbs to attend our flagship event called Skills for Life: Bilateral Upper Limb Loss Workshop. This is a triennial event and scholarship recipients are able to attend with minimal to no cost to them and/or their caregiver/family member. The Skills for Life workshop is a unique event because it is devoted specifically to issues faced by individuals with bilateral upper limb or quadruple limb loss/limb difference. It is an encouraging place for attendees to share hopes and dreams, as well as failures and fears. This workshop also offers amazing opportunities for the family or loved ones living with limb loss/limb difference, prosthetic manufacturers, and healthcare providers who work with these individuals to come together and support one another.

In addition to the SFL Workshop, we provide scholarships to attend other events where our community will have opportunities to meet others who are also living without both arms or all four limbs. These activities fulfill the greater ESFL mission, which is to support people living without both arms or all four limbs by providing opportunities to connect with one another.

We use funds raised from our events/programs to support:

- Scholarships to attend in person events to connect with others like themselves
- Triennial Flagship Event: Skills for Life Bilateral Upper Limb Loss Workshop
- Resources (video tutorials, publications, newsletters, etc.)
- Zoom Support Meetings
- Peer Introductions

Please consider supporting ESFL Community in the ways which make most sense for you:

- Sponsorship (Individual or Corporate)
- Donations of products, services and/or gift certificates
- Direct donations (via check, cash or PayPal)
- Attending the events

As in the past, the success of our events depends on contributions from sponsors and generously donated items. Any sponsorship or donation is greatly appreciated. This is a fantastic opportunity for businesses to take advantage of product placement and advertising in a national/international market.

Please complete the attached form and return it to us as soon as possible, no later than August 29, 2025. Your contribution is tax deductible. Upon receipt of your gift we will send you a thank you letter with our tax identification number to serve as your receipt for tax purposes. We are happy to pick up your contribution or donation when it's ready, or you can mail it directly to our address below (note "Andy Mattox Fundraiser"). Please contact us with any questions!

Thank you for your consideration and willingness to support our Skills for Life community. We look forward to hearing from you soon!

Sincerely,

Shawn Johnson, Executive Director
