Enhancing Skills for Life (<https://www.enhancingskillsforlife.org/>) is a non-profit organization that allows individuals that are living without both hands or all four limbs to attend the Skills for Life: Bilateral Upper Limb Loss Workshop, a triennial event with minimal to no cost to them and/or their caregiver/family member. The Skills for Life workshop is a unique event and is devoted specifically to issues faced by individuals with bilateral upper limb or quadruple limb loss. It is an encouraging place for attendees to share hopes and dreams, failures and fears. Visit their website if you wish to make a donation directly.

This is a benefit tournament with proceeds benefiting a great organization that Andy got involved with in 2022 and wants to give back to those who cannot afford to attend. **THANK YOU FOR YOUR PARTICIPATION!!**
